DIV. OF OIL, GAS & MINING

Dear Mr. Baker :

This letter is our request to amend our Notice Of Intention to Commence Small Mining Operations under our Small Mine Reclamation Contract, to increase the Reclamation Bond amount relative to the inadvertent mining on the 2.5 acre area described in the enclosed diagram, by the requested \$19,400.

Attached you will find a copy of the check deposited into the Zions Bank reclamation account and a map of disturbed acreage.

Please let me know if anything further is needed or desired relative to the increased Reclamation Bond and amendment to the Small Mining Operations. Feel free to contact me anytime at 602-617-6282 or email tschrock@westerngypsite.com

Sincerely,

A handwritten signature in black ink, appearing to read 'TS', is written over a horizontal line.
